GENERAL SALE INFORMATION

LOCATION — Keystone Agricultural and Recreational Centre, Exhibition Park, Brandon, Manitoba, located at the south edge of town on Highway 10. Sale starts at 12 Noon.

TELEPHONE — (204) 728-2246.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations direct to John McFarland, manager, indicating you are attending the Canadian International Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc., as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

LUNCH — Will be available at the sale.

GUARANTEE — The cattle will sell under the standard guarantee endorsed by the American and Canadian Shorthorn Ass'ns. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and the seller for each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Shorthorn Sales, Inc., for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

RECORDING IN U. S. HERD BOOK — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book. All pedigrees will be verified for acceptance into the American Shorthorn Herd Book. Any that are not acceptable will be announced on sale day.

BANQUET — 7 p.m., February 24, at the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

SALE MANAGER — Cagwin Cattle Services. Box 156, Virginia, Illinois 62691.

GETTING TO THE SALE — Air and train travel to Brandon is available from Winnipeg although plane travel is on a limited basis. Rental cars are also available from Winnipeg to Brandon.

LIVESTOCK REPRESENTATIVES — Mrs. Carrie Gove, Canadian Shorthorn News; Gene McDonald, Shorthorn International; Neil Orth, Drovers Journal; Lyle Eiten, Prairie Farmer; J. R. Blacklock, Auctioneer, East Saskatoon, Sask.; Harris Simons, Shorthorn World; John Esau, Shorthorn Sales, Inc.; Darryl Rahn, Cagwin Cattle Services, Virginia, Ill., phone 217/452-3232 or 217/452-7520.

FOUR POINT PILOT 4th x—Male Roan, born 13 March 70 Tattoo AEBY 2B. Four Point Pilot 4th has been used as Junior Herd Sire at Melbros for the last two breeding seasons. During this time he was Reserve Grand Champion at the 1972 Royal Winter Fair. He has sired exceptional calves. One, MELBROS PILOT IOE, Born 1 Feb. 73, who won his class at the recent Regina Agribition and later sold to Engle Stewart, Oak River, Manitoba, for a sale high of \$3000.00.

Another calf, MELBROS SHEILA 8E, who at foot of her dam, won most of the summer show, cow-calf classes. At the 73 Red Deer Exhibition, Melbros Sheila 8E was declared the best calf over all breeds in the Junior Class.

WOODY HILLS MARK 2nd x—Here is a bull hot off the show circuit. He started his show career in 1971 with his mother. They won their class at many shows. Then as a yearling, he had a great record. As a two year old, he has a tremendous record, winning his class 11 out of 14 shows and was Champion at those 11 shows. His biggest win came at the Toronto Royal where he won his class, was named Senior Champion, was named Grand Champion, and went on to become Supreme Shorthorn of the show, judged by Mr. Paul Potter. He also was a member of the First Prize Pair of Bulls. We have bred 6 yearling heifers to the 2nd last year and have 6 real good calves by him. This year we bred over 20 yearlings, and two-year old heifers to him. We think a lot of this bull. He weighed 1930 before his trip to the Royal. This bull will look great in any herd in North America.

FOGGATHORPE KNIGHT — These are an outstanding pair of bulls we are entering this year. They are very tall and still have a lot of thickness and beefiness to them. Their dams are outstanding big cows — 1700-1800 pounds. They are the biggest cattle we have found to date. These bulls showed very well this summer. The Senior Yearling was never beat in his class and June bull was never below second in his class. Anyone who could use a horned bull and wants size shouldn't miss this opportunity.

HERBOURNE BUSTER x—This is your chance to own a bull, that because of his quality, would ordinarily be retained. He is a proven breeder that will know how to handle himself in pasture breeding. This bull weighed 1110 lbs. at one year, 1320 lbs. at 15 months. Buster is a tall, trim, well balanced, modern bull, with exceptionally good feet and legs. Along with his height he has brought along depth of body, muscling, and plenty of bone, essential components of a beef bull. I cannot stress this bull's gainability too much. It's outstanding. He has an insatiable appetite and makes good use of it, putting on frame and red meat, not sloppy fat.

WOODY HILLS MARK 14th x — Here is another bull from our 1973 show string. He also has a great show record. He was a member of the Supreme pen of 1972 calves, at the Canadian Western Agribition. As a yearling he did well for us. He placed from 1st to 3rd all summer. At our last summer show he was named Reserve Grand Champion next to his table mate, Mark 2nd. At Toronto he won his class, was named Junior Champion, and then on to Reserve Grand Champion, by Judge Potter. He was a member of first Prize, pair of bulls also. At Agribition he also won his class out of 38 bulls. Mark 14th and Mark 2nd were members of our first prize group of four and Get of Sire at Toronto and Agribition. This 'GROUP & GET' stood at the top at all shows this summer. This bull is a great herd bull prospect. He would also look great in a show string next summer.

MELBROS JUPITER — Melbros Jupiter's sire Lacombe Dock 45W has produced many a champion. His dam is a 1600 lb. dual purpose cow, a half sister to our show cow, and an outstanding producer. Her two year old daughter, Blue Rock Salliroan, won her class at every summer show but one. At the '73 Red Deer Exhibition, she was Reserve Grand Champion. Another daughter, of Gerner Farms Sally 5th, produced a calf at 18 months and is doing a perfect job. She is as big as any two year old. As a calf she was a member of the best pen of heifer calves, at the 1972 Regina Agribition. Melbros Jupiter should make a tremendous bull with scale, bone, and thickness.

CAMPRIDGE MAXINE COUNTESS 1E x — Campridge Maxine Countess sells on February 25, sired by Baldee Perfect Count. Dam Campridge Maxine one of the most outstanding females at 14 years of age. She is a great dam and the great, great dam of all Marshals blood line. She is the dam of Campridge Big Marshal and also the dam of Campridge White Seal, the highest selling bull at the Brandon International Sale in 1972. She is related to Campridge White Mabel on the dam side, which was a grand champion heifer at Brandon International Sale 1972. All our cattle are carrying her blood line either through dam or sires. Most of our herd are line bred. Maxine stands 56 1/2 inches, her size and quality has to be seen to be appreciated. I have turned down many good offers for her. If you are looking for size and quality this heifer has it. Our cattle are bred to produce steaks not burgers.

STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

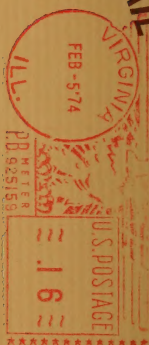

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
